If you do not find in this list what you want write us as we have many others not listed but in small quantities.

All above prices are F.O.B. Zionsville Indiana. Packing free. For small quantities parcel post is satisfactory add about 5% of net order for prepaid postage. Larger orders use express collect.

If you have no oriental POPPIES in your garden and do not know which to select try a selection of four our choice to even up our beds. No TWO ALIKE \$1.00 postage collect or \$1.10 postage prepaid. EIGHT ALL DIFFERENT \$2.10 prepaid. FIFTEEN ALL DIFFERENT \$5.00 NO DISCOUNTS on above. These are all named varieties not discarded seedlings.

WE RECOMMEND FALL PLANTING TO THE AVERAGE GARDNER spring planting of potted stock usually brings disappointment.

REMEMBER and it is important our roots are dug fresh for each order and are not carried in storage and are two year old roots that have bloomed for us and are known to be true to name. This makes our roots worth more than many offered you. Also would call your attention that some varieties make larger root growth than others in a given time.

Seeds gathered from many of the best varieties put up in generous packets at 50¢ post paid.
